What is Destiny

- Destiny is our online catalog. It allows you to see what our Information Center has available, what is checked out, and the return date.
- For movies, it allows you to see the running time as well as a summary of the movie, the rating, and other pertinent information related to that particular movie.
- You may view Destiny from anywhere you have Internet access: from your classroom, home, etc. This will enable you to gather your materials and prepare your lesson plans ahead of time.
How to Access Destiny

1. Log on to our school website:
   http://www.fergusonhs.org
2. Click on “Information Center” on the right side.
3. Click on “Destiny” located on the right.
4. Scroll down the list of schools and locate “John A. Ferguson Senior High” on the right column.
